b. NIS Chapter IX Meeting

25X1A9a

██████████ reported on a meeting he attended on the revision of Chapter IX format.

4. Translation Machine

A memo has been sent to each of the Division Chiefs asking about potential use of a translation machine. Divisions have been asked to submit translation requirements (by language and number of pages) to Chief/G by 6 June, which would cover all of their needs.

5. Cancellation of Geographic Intelligence Review

25X1A9a

██████████ reported that the production of the Geographic Intelligence Review has been cancelled; GIR 1-60, which is now in Reproduction, will be the final issue. Articles which would ordinarily have been issued in the GIR will come out in one of the other report categories. There was some discussion on the possibility of issuing the "map evaluation" articles as part of the Map Acquisitions Lists; ██████████ will discuss this further.

6. Cartography Division Manual

25X1A9a

25X1A9a

██████████ reported on a D/GC committee which was set up three or four months ago to write up a Division Manual. Material submitted by ██████████ as attachments to her trip report will be incorporated into this manual as appropriate.

7. D/GL Quarters at Vital Storage

25X1A9a

25X1A9a

It has been proposed by ██████████ that funds be allocated to improve on the lighting in the new Map Library quarters at Vital Storage, where it is reported lighting is very poor. ██████████ asked that ██████████ look into this to see whether the expenditure is necessary.

25X1A9a

8. Training

a. Language Training

25X1A9a

██████████, D/GG, is scheduled to start Russian language training on 6 June in order to qualify as an interpreter.

b. OSI Elint Course

25X1A9a

██████████ stated that he found the OSI Elint course which he attended to be very worth-while.
